Dear Friends, Neighbors and Citizens,

October is here, so that means the new Fiscal Year has started. The budget will have been passed and in effect! National Night-Out is this month, Tuesday, October 4th. This is a great time to meet our police officers and staff, as well as your neighbors. At the end of this month is Halloween. The Fire Department is setting up a Haunted House at City Hall in the Fire Bay. Bring the family as it is a lot of fun. There has been tremendous support from our city's best asset, our residents, with regards to citizens volunteering for the different committees and commissions. We are continuing to witness the growth of TEAM WINDCREST - both city pride and citizen participation are growing. We encourage you to remain active and involved, and we promise that we will continue to modify, change and refine how we do business. As we all know: **If we stay the same, we cannot improve.**

Fall Brush Pick-Up (Re-cap): This service for the community should be complete or very close to completion by the time you receive this Newsletter. We hope those that needed this service were able to take advantage of it. We are fortunate in Windcrest in that we do not have limits and that Republic Services allows us to divide the city into Sections so we can time this service out for everyone's convenience as close to schedule as possible. We appreciate everyone's patience if your pick-up was delayed. It will all be picked up. Again, we appreciate everyone's cooperation. It is a great service, and we have another one scheduled for the Spring time. We will release those dates in the near future. Thank you to Republic Services!

Mayor Town Hall (Re-cap): I enjoyed meeting those that attended my Town Hall, an informal meeting to discuss the budget. I hope those that attended found it worthwhile. I plan to have another one next year as well. Thanks to all those that attended and thank you to the Windcrest Golf Course for providing a fun environment. The Windcrest Golf Course is open to the public and they also have a restaurant and full bar. I encourage everyone to go by and check out the facility, and also to try to shop and be customers of all the businesses in Windcrest.

Trunk or Treat/Haunted House in the Fire Bay, October 31st: This is a very fun event. I encourage everyone to attend. I especially encourage you to attend the Haunted House in the Fire Bay. Wow – the Volunteer Firefighters started this tradition several years ago. It has been a huge success. Please thank these brave Firefighters for all they do. They not only protect us, but they do so much for the community, especially the children. They take time out of their day to help others. If you wish to support their efforts in any way, please contact the new Fire Chief at 210-655-0022.

Budget Summary: For the fifth year in a row, we will see a **reduction in the City's residential property tax rate.** The tax rate was reduced approximately 7%. Note that at the time I am writing this article, the budget has not been finalized yet, so things can change. Also note, I will be sending out a special mail piece regarding the budget once it is passed and finalized. With regards to infrastructure and amenities, we are systematically catching up on items that in the past were neglected. The Council decided to keep the \$5

residential permit fee for most permits that this administration initiated when I became mayor. It has proven to encourage folks to invest in their homes and to use licensed contractors. It does not look like the Council will be reducing your garbage bill this year. To do this costs the city's general fund approximately \$100,000. The Council wants to direct this money into infrastructure. Note, the Council did vote to increase the commercial garbage fee by 20%. This increase will not have an adverse effect on Economic Development. We still have one of the lowest rates for commercial in Bexar County. This will generate approximately \$120,000 in new revenue for our city. This year the money is specifically earmarked for alley repair and maintenance. Our employees will see a raise and receive a stipend, as well as keeping their excellent health benefits status quo. You will see approximately \$1,000,000 invested in the streets, over \$250,000 in parks and over \$200,000 invested in other amenities and infrastructure. We were also able to meet virtually every request from staff. We are still doing all of this with cash and incurring no debt. We are virtually debt free coupled with sales tax revenue increasing approximately 6%-7% each year! No city in Bexar County has come close to matching our fiscal record. Again, we have done all of this while still investing in our community, adding assets with regards to Public Safety – Police, Fire and First Responders, and maintaining, adding and improving our streets, parks and common areas. By the time you receive this Newsletter, the final budget will be passed and adopted. Please go on to the city website and view the Budget at your leisure. If you have any questions, please call me on my cell at 210-846-5507.

Elections: Early Voting & Election Day, November 8th at Takas Park Civic Center: There will be an election for three Windcrest City Council Positions and two Water Board positions. Women's Club Presents the 2016 Windcrest Light-Up & Save the Dates: We want to keep reminding everyone that this year's theme is "LET'S SAFARI!" It is time to start thinking about decorating ideas. I have received quite a few comments on the theme and people are excited. I believe this year's Light-Up will be the grandest ever. Some save the dates: December 2 Deadline to enter the Contests, December 6 Judging, December 10 Light-Up, January 5, 2017 the Award Ceremony at Takas Park Civic Center. Let's make this Light-Up the best ever!

Economic Development: It is an exciting time with many more deals to close in the coming months. Here is some of the latest exciting news. Behind the IN-N-Out Burger and Pollo Tropical there will be a new hotel! It will be a **Holiday Inn Express**. Ground has been broken. We hope to see this new hotel completed within the next 6 months. Additionally, many businesses are leasing the light industrial and warehouse spaces being developed on Eisenhower Road. This is bringing hundreds of more jobs based here in Windcrest. The new Whataburger on the I-35 access road next to Buffalo Wild Wings is under construction and should be open within the next 120 days. Also, two new restaurants have committed to Windcrest. We will be making those announcements in the very near future. It is estimated that these new businesses will be bringing in over **\$750,000 of added tax revenue to our city per year!** We are close to announcing several other deals. We will see a lot of new amenities for our city and our residents soon. Thanks for all the hard work of the administration and staff. Special thanks to all those on the Windcrest Economic Development Corporation!!

Interesting Sports News: Windcrest has always been known as the home of some super golfers. This year, the Greater San Antonio (GSA) Men's Senior Championship was won by Windcrest resident John Pierce. The GSA Super Senior Men's Championship was also won by a Windcrest resident – Mike Arnold. Both of these men are highly decorated amateur players and represent Windcrest! Congratulations to those two for this huge accomplishment.

Volunteering and Participating: We need more people on the Windcrest Citizens' Patrol and Animal Task Force. Please call Kelly Hamilton at City Hall if you wish to volunteer. Remember that there are still places of service within the City. If you want to participate or volunteer in any area of the City, you won't be turned away. Give me a call or email me to get involved.

Please email me if you wish me to add something to my article. When you visit City Hall, please stop in and say hello.

Remember that I welcome and answer every phone call and email.

I love the natural setting of our backyard. It is an oasis for all kinds of God's creatures. We have carefully chosen the trees, bushes, and flowers which encourage populations of various insects, lizards, birds, and occasional wildlife.

Fostering a balance between predators and prey, we enjoy a mosquito free backyard. For those mosquitoes which escape their predators, we also have a bug zapper with 1/2 acre coverage.

One of the biggest predators of mosquitoes is the dragonfly. For hundreds of years, dragonflies have been referred to as "mosquito hawks." They consume mosquitoes all hours of the day, from dawn to dusk. The National Wildlife Federation touts them as dangerous beauties because they are voracious predators and their appetite is bottomless!

While dragonflies are great for mosquito abatement, they are also very colorful and interesting to watch. We have observed colors of purple, blue, green, yellow, and orange. They are aerial acrobats which provide quite a show with their darting and flitting.

If you would like to attract some "mosquito hawks" to your yard, check out the National Wildlife Federation's website. (www.nwf.org)

Veterans and active-duty military not in uniform can now render the military-style hand salute during the playing of the national anthem, thanks to changes in federal law that took effect this month.

"The military salute is a unique gesture of respect that marks those who have served in our nation's armed forces," said Secretary of Veterans Affairs Dr. James B. Peake. **"This provision allows the application of that honor in all events involving our nation's flag."**

The new provision improves upon a little known change in federal law last year that authorized veterans to render the military-style hand salute during the raising, lowering or passing of the flag, but it did not address salutes during the national anthem. Last year's provision also applied to members of the armed forces while not in uniform.

Traditionally, members of the nation's veterans service organizations have rendered the hand-salute during the national anthem and at events involving the national flag while wearing their organization's official head-gear.

The most recent change, authorizing hand-salutes during the national anthem by veterans and out-of-uniform military personnel, was sponsored by Sen. Jim Inhofe of Oklahoma, an Army veteran. It was included in the Defense Authorization Act of 2009, which President Bush signed on Oct. 14.

The earlier provision authorizing hand-salutes for veterans and out-of-uniform military personnel during the raising, lowering or passing of the flag, was contained in the National Defense Authorization Act of 2008, which took effect Jan. 28, 2008.

I am a proud AMERICAN and a proud VETERAN. I respect and honor the right that I have to salute our AMERICAN FLAG.

Recently questions have arisen about the continued viability of a Volunteer Fire Department in Windcrest. While some have suggested that it is improper to raise this issue, I disagree. We always owe it to residents to explore all possibilities to ensure their continued safety.

However, the manner in which we discuss important issues facing the city says a lot about us as a community. Do we present sincere questions, consider alternatives, acknowledge positives and negatives and invite a broad discussion? Or, do we criticize and demean in hopes that we can make something look so unattractive that any alternative will seem more appealing no matter the cost? The former of these options is what democracy is designed to foster. The latter leads to undesirable legislative outcomes.

I welcome an open discussion about the future of firefighting in Windcrest, but only if the discussion is founded upon respect for those who literally put their lives on the line to protect people and property within our fair city. While we need to make whatever decision is best for the community, I fully expect that thoughtful consideration of the feasible alternatives will demonstrate that a volunteer fire department is a safe and economically sound course for Windcrest for the years ahead and that a change is needed not in the nature of the department, but rather in the form of increased support that we as a community provide to it.

I look forward to hearing your thoughts.

OUR ANIMALS

Let me start by saying that I support our animals. I have a black and brown longhaired Dachshund named Mausi. Since our children have grown and are now married, but still live here in Windcrest, Mausi has come to be considered as one of our children. I know that this sounds crazy, but ever since we saved our dog from the pound several years ago we have gone the extra mile for animals.

Today Mausi has complete run of our house and we would not have it any other way. I am sure that everyone in our Community that has an animal, has their own story.

A few years ago Mausi was bitten by a mosquito at one of our local ponds and she had heartworms. We thought that she was protected because we always gave a pill every month against heartworm but

maybe she did not always swallow the pill? Well she almost died but with the expert help of our local Veterinarian Mausi survived. So now we give her Revolution every month this is a drop behind her head which helps prevent fleas and heartworms.

Last month during one of our budget meetings I had mentioned that we should purchase a New Van for Animal Control. A Van that has AC front and in the rear. I hope that this will happen.

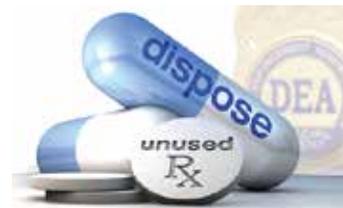

Our animals are helpless and they depend on us to take care of them. Thank you.

Do not forget to vote it is your Constitutional right.

If you wish to contact me please call 210-366-0160.

I am pleased to bring to Windcrest an opportunity to dispose of your prescription or over the counter drugs... ..National Prescription Drug Take-Back Day! Because of a question from resident Claudia Hill, I did some investigating and

found this program offered by the DEA. A great way to dispose of those drugs that are no longer needed or have expired. Please come by City Hall to drop off your drugs. You can bring them in their containers (please remove your prescription label) or you can dump all in one container. Please nothing with needles or sharps.

**October 22, 2016

THE COMMUNITY OF
WINDCREST SINCE 1976.**

Founded in 1976, the Windcrest Citizens Patrol will be celebrating its historic 40th anniversary of service to the community. The organization would like to create a roster of past volunteers along with

their present addresses and phone numbers. We appreciate the time and talent they dedicated to the organization and to the community as well as the commitment they evidenced by their participation. To help create this roster, please call one of the WCP Team Captains named on the back page of the newsletter. The list will help us plan for the October 20th social event marking this iconic Anniversary.

**ECONOMIC DEVELOPMENT
CORPORATION**

It has been a busy month for the City of Windcrest EDC! A ribbon cutting was held in September for our newest business Halfen USA. This construction technology leader recently opened its doors at 4965 Eisenhauer Road, and we are excited for its future here in Windcrest! Below is a picture from the ribbon cutting on September 7th. As far as other construction news goes, the City's second Whataburger is moving along on schedule. Ground has also been broken for the Holiday Inn Express located behind Pollo Tropical. These will both be great additions to the City of Windcrest's already successful business district!

Finally, the progress of new development along Eisenhauer Road is scheduled to be revealed in the near future, so stay tuned for more updates from the WEDC!

With recent rains and mild weather, it remains important to continue monitoring for stagnant water that may help breed mosquitos in and around your area. The City has taken a proactive approach, however your efforts will help tremendously in battling these pests.

Alley repairs will start very soon. Our new budget has kicked in and the crew will be concentrating on these repairs. We already have a list of alleys that need this service. We will be there shortly.

We continue to work on our streets. From fixing pot holes to crack sealing the pavement. Please detour when you see these crews working in our city. Taking a route around the workers helps with work productivity and safety of the crew. Many thanks.

Enjoy your beautiful City.

Thanks to everyone that took advantage of the brush pickup last month, making sure you trimmed your low hanging branches over the roadway, alley and/or street signs. If your branches are lower than 13 feet 6 inches, please measure and trim them accordingly. The Fire Department

will be happy to know their trucks can pass through our streets safely as well as eliminating a traffic hazard for motorists. Plenty of rain has fallen this season; your efforts in keeping up with your lawn care are appreciated. Some contractors have been found to be working without permits; ask the contractor for their permit before starting work on your property. If the contractor says they don't need one, ask us! Contractor signs can only be posted when they are physically working on your property. Whenever the contractor goes home so does the sign and when they return to work their sign can go back up.

Political season is here! If you are placing signs on private properties, please get permission from the property owner before placing a sign on their property. For guidance on what size is allowed as well as where and when they can be posted, refer to the city ordinance in Chapter 109.

If you require any assistance or want to report a violation of the Windcrest City Code, please contact the Code Compliance & Enforcement Unit by calling the Windcrest Police Department Dispatcher at 210-655-2666 or you can send an email through the link provided on the Code Enforcement site.

Back in 1922, only 3 years after the end of WW I, this country's veterans were pretty much as they are today. They were devoted to their fellow buddies, whom they fought with during the War. Some who came back were "Shell Shocked" now called "PTSD". Most were out of work, most did not want to go back to the farm after they have seen "Paree". The war still fresh in their everyday lives and thoughts. Most of all they thought about the guy who fought beside him and remembered their buddies who were left behind on the field of honor and would never come home. A song was written by Walter Donaldson and Gus Kahn and introduced by Al Jolson reflected their feelings.

"Nights are long since you went away,
I think about you all through the day,
My buddy, my buddy, no buddy quite so true
Miss your voice, the touch of your hand,
Just to know that you understand,
My buddy, my buddy, your buddy misses you."

The sentiment of the song echoes the promise of the **AMERICAN LEGION**. **WE ALWAYS** remember, **WE NEVER** forget. **WE** celebrate each year the day that once was called "Armistice Day" (which President Eisenhower changed to ("Veterans Day"). It is a day to honor and remember all veterans.

Windcrest Post 612 invites **ALL RESIDENTS** of Windcrest (Veteran or not) to join us for a celebration of Veterans who served our Country. Join us for our Annual Dinner remembering our Vets at the Dining Room at Takas Park starting at 5 P.M. November 11, 2016. We will have dinner and entertainment. We will also present "Longevity Awards" to some Post members. All this at the cost of \$17 per person. The "Wounded Warrior Program" will share part of the receipts.

Contact: Jack Leonhardt (210-654-8088 or Buddie Cooper -210-656-3426 and make your reservation.

Our Fashion Show Luncheon is 26 October at 11:30 at Anne Maries Catering, 12475 Starcrest Dr, San Antonio. Cost is \$20.00 per person. Michael Q, former fashion editor for the Express News, will present his program "Fashions Through the Decades": a light hearted and captivating look at how we dressed in the past. All Windcrest ladies and their guests are invited. Make your reservation by calling Diane Stake (946-7589) or Hazel Freeman (655-3919). Last day to make a reservation is Friday, 21 October. Don't miss out!

September was a busy month! On 24 September, the Community Service group led Club volunteers in feeding the needy at the John Calvin Presbyterian Church. Thank you to John Calvin for allowing us to support this important program. Then on 28 September, we had an amazing program explaining the lengthy process required for the San Antonio Missions to be listed as a World Heritage Site, and just why they deserved it. It certainly made us ready to go and visit the Missions!

Also, the Arts and Crafts group got off to a galloping start. Being an "artist" is not required, just come visit with friends, learn a new craft, share craft ideas, and have fun. The group meets the first and third Wednesday of the month at 9:30a.m. in the Civic Center. Craft dues are only \$5.00 for the year for Club members. Lots of new and interesting projects are planned.

November is when we'll jump right into the holiday season with our "Holiday Cooking Demonstration", program on 16 November at 10:00a.m. at the Civic Center. This program, presented by own Lilo Strait, is fun, informative and very practical. Followed by our Christmas Party on 8 December. Save the dates!

FASHION SHOW: October 26
Time: 11:30 a.m. – 2 p.m.
Place: Anne Maries
FASHIONS THROUGH THE YEARS

Make your reservations now for the October 26th Fashion Show by calling Diane Stake (946-7589), or Hazel Freeman (655-3919) and more details. Cost is \$20.00 per person including lunch.

Neighbor 4 Neighbor (N4N)

A group of local neighbors has formed with the mission of assisting neighbors that are in need of help. On the third Saturday of the month we will gather to assist our neighbors in need. This help will be in the nature of minor repairs, yard work, or some other assistance that could be accomplished in one to four hours. The target group will be those in our community who are not able to complete some tasks around their home. We have no funding so these would be low cost projects and we may require the person helped to fund the project. If you are someone who would like to participate as a helper or you are a person in need please contact us. Contact Dan Reese 210-381-5775 or neigh.4.neigh@gmail.com

2016 LIGHT UP REMINDER

"twas the night before Christmas and all thru Windcrest not a creature was stirring not even a mouse with me in my Pith Helmet and Ma in her Safari Jacket"

Well, it's time to start really talking about what Windcrest is famous for: Windcrest Light-Up
"Let's Safari" -- sound strange, weird or bizarre???

Over the last 50+ years we've done bells, music, color, sounds, traditional and patriotic. All those you ask? Trust me, I'll share our old lists with you. (Yes, we save everything)

So back to this year. I heard that Santa will be wearing a pith helmet and his sleigh will be pulled by tiny zebras. The Manger will be covered in mosquito netting and surrounded by elephants, giraffes and lions with music from "Out of Africa" playing in the background.

Elves will be gathered around an outdoor campfire with safari boots in a row...

So, Yes Virginia! There is a Santa and yes he can look different this time.

Let's get out to our workshops and make this funnnnn!!!

WINDCREST ANIMAL CARE & CONTROL UNIT

Officers A. Fuentes and M. Gonzales

Believe it or not, cooler weather will be here soon and when the temperature drops, remember that pets, just like humans, want to feel warm at all times. It is the responsibility of pet owners to make sure that pets do not suffer the effects of the cold weather.

Some things that may affect your dog's ability to tolerate the cold include coat density, age, size, and health status.

A good rule of thumb to follow is; if it's too cold for you, it's too cold for your pet. So if you have an outdoor pet, keep them indoors during extreme temperatures. Some additional tips to protect your pet in cooler weather:

- Limit your pet's exposure to the outdoors
- Take shorter walks
- Dry off their fur and paws after coming indoors
- Consider using pet sweaters, jackets and paw covers
- Extra calories may also help to reduce heat loss but always consult with your veterinarian before adding extra calories to your pet's diet.
