Mayor's Message

Dan Reese

The elections are behind us now. I am honored that you had the confidence in me to vote for me to continue as your Mayor. I look forward to the next two years of serving. I also look forward to continuing to work with Mayor Pro-tem Joan Pedrotti, Councilmember Frank Archuleta and new Councilmember Wes Manning. We all understand that not everyone voted for us, but our charge continues to do what is best for the entire City and keep moving forward.

My goal will continue to be:

- Maintain First Class Public Safety by supporting our Fire and Police Departments.
- Continue efforts to improve our infrastructure such as streets.
- Support our great City Staff and their needs.
- Continue our efforts in Economic Development by enhancing current relationships and building new relationships.
- Explore ways to highlight and support our local schools.
- Continue our "hometown" activities such as the well-established "Light Up" and continue to foster new ideas such as Movies in the Park, ArtVibes, etc.

Thank you Windcrest for having confidence in me to continue as your Mayor. I am honored to be in service to Windcrest.

"The credibility of the message is intrinsically tied to the integrity of the messenger."

Take a look at the City of Windcrest Code of Ordinance website. We have updated the services on our site to providing following upgrades.

- **OrdBank:** With OrdBank, newly adopted legislation will be posted online in between supplements.
- **OrgLink + OrdBank:** Prior to incorporating the ordinances into Code via supplementation, the OrdLink feature can hyperlink newly adopted ordinances to the section being amended. Linked sections are highlighted in the table of contents and links are created from the amended sections to the new ordinances. Once the linked ordinances are incorporated into Code, they are added to OrdBank repository and hyperlinked to the history notes.
- **CodeBank:** The CodeBank feature provides an online archival platform for previous supplements of the City of Windcrest Code.
- **CodeBank Compare:** CodeBank Compare service is a feature that provides users the ability to select a past version of our online Code and compare it to any other version of our online Code. The differences will be shown via highlights (added material) or strikethrough (deleted material). Users will be notified of the changes in the table of contents and within the text of the Code via “modified,” “new” or “removed” badges.
- **eNotify:** The eNotify service allows users to enroll online and receive email notifications each time our online Code is updated.

We are excited to kick off 2020 with these efficiency changes and continue to provide the community the best service around. The Office of the City Secretary staff wish everyone a wonderful holiday season. Happy New Year to all and be safe.

POLICE DEPARTMENT NEWS
Chief Police Darrell Volz

I hope everyone had a great Thanksgiving, spending time with family and friends. Now we focus on Christmas and New Year's. What a wonderful time of the year. In October you could already see the City of Windcrest start transforming into the “City of Lights”. This will be my first Christmas Light Up as the Chief and I am looking forward to experiencing everything Windcrest becomes during the Christmas Season. And then we ring in the new year. Remember: that if you are attending parties, drink responsibly. **Do not drink and drive.** Have a designated driver to refrain from alcohol and ensure everyone in your party makes it home safely.

I mentioned this last month but I feel it is important enough to mention again. During this season the scam artists come out. The most important thing to remember is **if it sounds too**

(Continued on page 4)

(Continued from page 3)

good to be true, it is. Do not give any personal information out over the phone. Keep an eye on the Police Department's Facebook page. This is where we will post any important information that you will need to know during the holiday season.

Remember the police department offers House Checks. If you will be traveling this holiday season, let us know. We can patrol by your house while you are gone and keep an eye on things. Contact the police department and they will complete a form for you or if you have the internet you can download a form online (<http://www.windcrest-tx.com/>).

Merry Christmas and Happy New Year! Until next month... Be Safe!

Code Compliance & Enforcement

By Officer Leija

Christmas is the season of joy, of gift-giving, and of families united. Our 61st Annual City of Windcrest Light Up continues to attract hundreds of visitors into the city. Keep in mind we will have many visitors viewing the Christmas lights. Please help us by keeping as many vehicles off the street as possible during Light Up hours. So please, take a few moments to check your properties one more time and remove trailers, inoperable vehicles, and general rubbish from plain view or dispose of it. Keep your properties secured during this month by mending any fences that may entice intruders to enter. If you have any low hanging branches or bushes over the street and sidewalks, take a few minutes to trim them up and away from these areas.

Also, accumulating and disposing of garbage and brush prohibited in alleys and drains. No person may store any brush or garbage in an alley, or areas immediately adjacent to alleys, or drains. Any garbage and brush set out for removal must be containerized.

If you need any assistance or want to report a violation of the Windcrest City Code, please contact your Code Enforcement Officer via the Windcrest Police Department Dispatcher at 210-655-2666 or send me an email at ileija@windcrest-tx.gov or through the link provided within Code Enforcement page.

FIREWORKS AND PETS

Fireworks can send your pets into a stressed-out frenzy. The constant loud bangs and bright flashes may frighten or panic your pet.

Keep your dogs and cats inside and make a safe place for them if you are aware of an upcoming fireworks display, either in their kennel, or a cozy spot on the floor.

Make sure your dog gets plenty of exercise earlier in the day. They'll have less to exert during the fireworks and hopefully be less stressed. Provide distractions keeping your dog's focus away from the noise by playing with them.

While cats typically won't eat fireworks, some dogs will eat anything regardless of how it tastes. Make sure you thoroughly check the areas before letting your dog have access again.

While noise phobias are not as common in cats, they can and do happen. Cats tend to hide when frightened. Checking in on your cats, having some quiet music on and keeping them indoors during the height of the fireworks is always a good idea.

Fireworks contain several types of chemicals and heavy metals. If you set off fireworks at home, make sure you thoroughly clean up the area before letting your pets have access again.

Firefighter Training and Certification

Our firefighters work hard to ensure they have the necessary skills to provide assistance to you and your family, no matter what the emergency may be. One of the projects we have been undertaking in the fire department is working towards achieving 100% certification from the state within five years.

In Texas, there are two licensing entities. One of them is the Texas Commission on Fire Protection (TCFP). This is used primarily for career fire departments and it requires that the department follow certain regulations and guidelines set by the commission. They conduct regular inspections to ensure compliance.

The other entity is the State Firemen and Fire Marshals Association (SFFMA). They have been historically used for volunteer departments and do not have as many regulations. The Windcrest Fire Department is a member of both agencies.

Our volunteers are currently working towards obtaining the SFFMA Firefighter II designation, which would then allow them to challenge the TCFP certification test and put them one step closer to obtaining a paid firefighter position. Many of our members are seeking their certifications so they may serve the citizens of Windcrest better.

In next month's newsletter, we will discuss the different levels of EMS certifications that the state offers, as well as how your Windcrest firefighters are working hard to ensure you receive the best medical treatment possible in the pre-hospital environment.

WEDC Enjoys a Successful 2019

2019 was a very successful year for Economic Development in Windcrest. From the new businesses on Walzem Road, along IH-35 and on Eisenhower to a Board that has refocused priorities and the use of WEDC funds, this year has been very productive and changed the way Windcrest does Economic Development.

New businesses include QuikTrip, investing over \$11 million in the 7-acre site at the corner of Eisenhower and IH-35. Another highlight is the first major new tenant in the Rackspace building, TaskUs, bringing over 1200 new jobs. Ensuring that retail buildings remain occupied, Tokyo Express leased the former Whataburger, My EyeLab leased the previous Pollo Tropical and Smoothie King redeveloped the Church's Chicken. The WEDC has been successful in ensuring that buildings do not stay vacant too long.

The commercial and warehouse development along Eisenhower Road has been nothing short of amazing with businesses such as Amazon, Nexius, and many others locating in the Eisenhower Point development.

The Windcrest Senior Village project continues to progress. A Master Developer is currently being sought, which will allow the project to move forward and solidify the planned development.

This year the Board allocated over \$750,000 to the streets program currently under construction to enhance the commercial aspect of street improvements funded from the Bond voted by the citizens.

Please follow us on our recently renovated website at <https://windcrest-txedc.com/> or on our Facebook page at WEDC Windcrest TX.

TxWeACT (an animal non-profit) meets the 4th Tuesday of the month at Cross Roads Church (corner of Walzem and Midcrown) at 7 p.m.

We are holding our third annual "Dog Photos with Santa" at the Cross Roads Church at the corner of Midcrown and Walzem on **December the 8th**

starting at 3 p.m. So just bring your dog, your camera and some time to spend with Santa. Come and enjoy our hot chocolate and cookies too. You can come with your dogs dressed (or not) for the event. There also will be an animal blessing by Pastor Brian at 3 p.m. and Pastor McClain at 4 p.m. Please come!

TxWeACT helps the firemen during "Fill the Boot". We are the ones in the street with the boots and maps starting on December 25th or 26th. The Firemen share with us some of what we collect, so is a win- win for both nonprofits. Be sure to drive by and say "Hello" we love it when you bring your dogs along to see the lights!

Don't forget that in January and February TxWeACT helps the city host low cost immunization clinics the third Saturday of those months. We hope this will encourage pet owners to register or reregister their pets with the City.

Windcrest Women's Club

By: Sherilyn Flick

The Windcrest Women's Club is a dynamic, fun group of informed ladies. Have you considered joining the Women's Club? We are now accepting members from outside Windcrest with a Sponsor! December is always a special, busy time of year for the Women's Club with our famous Christmas Light-Up and Holiday Festivities.

We welcomed an esteemed panel of judges to Windcrest on December 3rd to determine the winners of this year's Light-Up Theme, "Hometown Christmas". The annual Windcrest Light-Up ceremony with Santa will be held Saturday December 7th at City Hall from 6:00 PM to 10:00 PM. This officially kicks off the Christmas season in Windcrest!

The Women's Club gathered to take a field trip to Gruene, Tx where we enjoyed a delicious lunch at the Gristmill restaurant overlooking the river. The ladies went antique shopping and had fun sampling the local wines. A great time was had by all and we look forward to returning.

On November 21st, the Women's Club held a special ceremony to honor our past president and long-time resident, Tinie Riggs, for over 50 years of community service to the City and the Women's Club. This event was held at the Barbie Winn commemorative tree located on Crestway.

Thank you, Tinie, for all you have done for our community!

The Windcrest Women's Club is selling large red Christmas bows, handmade and perfect to adorn your table, front door or mailbox.

The price is only \$3 each or 2 for \$5.

ROUGH RIDERS IMPRESSIVE SEASON

By Samuel Rocha

(As published in the Big Stick Newspaper)

The Riders have been on fire this year since the very beginning of the season. Their impressive 7-1 record helped them clinch playoffs as a tied second with Johnson.

Senior Rashod Owens carries the ball in the Pink Out game against Reagan. The Riders won 28-21.

Photo by Lizbeth Pereda

“Having the 7-1 record makes us feel good about ourselves and playoff ready,” varsity linebacker Christian Molina said. “We plan on keeping this momentum by doing good at practice and trusting each other.”

This is their first time making the playoffs since 2012, when they finished with a 9-3 record.

“I’ve been at Roosevelt since March of 2013. I have seen the character, work ethic, and commitment of the athletes in our program grow immensely over the course of the last three years... This growth has lent to greater success on the football field as this group has developed some real chemistry and commitment to one another,” Assistant Head Coach Tony Manning said.

Roosevelt is currently #2 in total offense yards (3314 yards) and #3 in total defense yards (2472 yards) this season.

“The bond is what makes this year different from the rest. Previous years we’d say we’re a family but this year I think the bond this year is way more stronger and closer than before,” Molina said.

This football team this season boasts impressive rushing stats carried by Rashod Owens, who is currently #1 in total rushing yards in district (1237 yards), and Robert Meadows (461 yards).

“Rashod’s success is a byproduct of the big guys upfront being physical, our fullback leading the way on most plays, and our receivers blocking better on the perimeter...it has been a team effort,” Manning said.

The Riders also boast impressive defensive stats as well by allowing 24 points per game and having the third best overall defense in our district.

Emanuel Muhammad, varsity cornerback, recently won the Hammer Award against Johnson on Oct. 26. The Hammer Award is given to a player that makes a game-changing play late in the game that changes the outcome of the game.

“I blocked a punt while we were down a touchdown in the fourth quarter. We got the ball back and scored a touchdown to tie the game and send it to overtime, and the rest is history,” Muhammad said.

The Riders have gone through struggling seasons over these past four years, 11-19 since 2016, but that gives them more of a drive to win because they know they’ve all grown and improved on their game.

“I’m very proud and happy to be in this position we are in right now. It’s been an amazing experience this season...I’m just so happy to be in this spot we are in right now,” varsity middle linebacker Josiah Carrillo said.

The Riders play[ed] Lee on Friday Nov. 1 at 7:30 and Churchill for senior night on Thursday Nov. 7 at 7:00 both at Heroes Stadium.
