Dear Friends, Neighbors and Citizens,

April has arrived. The weather is getting warmer and warmer. I bet we all hope we get some more rain this month. April will be very busy. We have Fiesta – with our very own Fiesta Event (Fiesta Especial) and Parade, Garage Sale Weekend, Little League starts and Spring Brush Pick-Up, to name a few events. We are also ramping up for the WVFD Firefighter Picnic. There has been tremendous support from our city's best asset, our residents, with regards to citizens volunteering for the different committees and commissions. We are continuing to witness the growth of TEAM WINDCREST - both city pride and citizen participation are growing. We encourage you to remain active and involved, and we promise that we will continue to modify, change and refine how we do business. As we all know: **If we stay the same, we cannot improve.**

5th Annual Firefighter Gala (re-cap): This is an event that I started five years ago as a fundraiser for the Windcrest Volunteer Fire Department. The Newsletter Committee and myself worked extremely hard to lay the foundation for continued success. With the changing of the date that the Gala was originally going to be held, I was unable to assist as I had in the past and I was unable to attend. I am proud to state that all reports that I received were very positive. It was another success. At the time I am writing this article, we have not been given the financial results. It was well attended, so we all hope that it was just as much of a financial success as it has been in the past. Everyone I spoke to that attended had a great time. Looking forward to next year!

Council Meeting Start Times: Approximately five years ago, this administration changed the starting times for Regular City Council Meetings from 7 PM to 6 PM. This was done to be more efficient and productive with the professionals that come to the meetings that are doing business in our city – contractors, engineers, etc. It costs the city less for their hourly wage by having this earlier time. It also is more convenient for the city's staff. Most get off work at 5 PM. The 6 PM as opposed to 7 PM start time afforded the staff less time away from their family, while also allowing them to get home and cut down on hours spent at City Hall. Most of these staffers arrive for work at 8 AM or earlier. However, no one is more important than our citizens. Several times throughout the years I have asked for your comments with regard to starting time. I great majority of who I spoke with supported the 6 PM time. The current Council has changed the time back to 7 PM in an effort to increase attendance at the Meetings. We have not seen an increase. We are currently doing a study to learn if more people are logging on at this 7 PM time to view the meeting online. It is my hope that if we do not see an increase either in attendance or those watching, that for the reasons mentioned in this paragraph, we return to a 6 PM meeting time. Your voice is most important. Let me hear from you. Call or email me to voice your opinion.

Trash Service: I am pleased to announce that we have signed a new 7 year agreement with a 5 year option to continue to have **REPUBLIC SERVICES**, our current provider, service our residential and business community with trash service/pick-up. The contract ensures that we will be able to maintain alley trash service where there are alleys and non-automated service for those residences that do not have alleys. We will not need those big blue and brown bins. All services will remain the same – twice a week trash, once a week recycle (they will include glass), two times a year brush pick and some more options. This was all done with negligible increases to the residents over the next 7 years!! We have the lowest rates of anyone in our area. This is really something to celebrate. I hope all of you are excited about this as I am.

SA Polo Club: By the time you have received this Newsletter, the city will have held two Exhibition Polo matches – weather permitting. A postcard was sent to all the homes in the residential area inviting you to attend this free event. The SA Polo Association gave a presentation to the Council in February outlining their organization and giving the

history of Polo in this area. Tom Winn graciously granted the Polo Association and the city permission to use his land east of Home Depot. A big thank you to Tom Winn and his family!! The residents around this area enthusiastically supported this endeavor and the businesses are unanimous with their support. I cannot tell you how excited I am while writing this article to see how this all turns out. Wouldn't this property be a super place for a park? More to come! Stay tuned! Go to www.sanantoniopoloclub.com to keep up with the Polo events.

Water District: This administration is committed to doing everything possible to keep our water rates low and the offices of the Water District conveniently located at City Hall. While the Water District is a separate entity from the city, their offices are located at City Hall for your convenience. I am happy to share that we have signed a new multi-year agreement that will keep them at City Hall and their Meetings in the Council Chambers for many years to come. As a side note, the Water District asked for more office space. My hallway office fit their request, so I gladly moved out. It now houses the GM of the Water District. Rest assured, I am still at City Hall. Unfortunately, I am not in the main hallway anymore which I loved as it was very accessible to the citizens and business folks who I meet with on a regular basis. I am now located next to the City Manager. As you know, I come to City Hall virtually every day to serve as your Mayor. Come by and see me. Also, my cell is 210-846-5507. Call me or text me any time.

Windcrest Little League: The Season is in full swing. The fields are looking great. The Little League volunteers, along with Public Works and the Parks and Rec Commission spent weeks getting them ready for this season. Please go down there and cheer these young people on. It is a lot of fun.

Firefighter Picnic: Please mark your calendars for the 46th Annual Firefighter Picnic to be held Friday, May 13th and Saturday, May 14th at Takas Park. This is a fun filled, family event, and yet another fundraiser for our award winning Volunteer Fire Department. Much more information will be in the next Newsletter. Also, see page 6 in this Newsletter for more details.

Fiesta Especial: Please join us on Saturday, April 23rd in supporting Fiesta Especial with their parade and 5k run/walk. Contact Kelly Hamilton if you are interested in participating in the 5k or parade. See page 12 for more information.

Parks and Recreation Commission: They have been working hard. Have you had a chance to go by the parks at Autumn Sunset Pond and the Duck Pond at Brookfalls? The new sidewalks look great. Have you had a chance to go down there in the evening and enjoy the walk at night with the new lights that were installed. It is just beautiful. What a great asset for our community! They are now turning their attention to the Park at Winnbrook Estates, renovations at the Community Pool and analyzing with the Windcrest Little League some major investment opportunities for the complex and the fields. They are also

going to hold a Town Hall Meeting. Be on the look-out for the postcard announcing the time and date. We hope you will attend and voice your opinions. This administration is committed to increasing the quality of life and investing in the community. A big thank you to all that serve on this Commission.

Economic Development: The new Pollo Tropical Restaurant located next to the IN-N-OUT Burger should be open by the end of June. As previously announced, the lot behind these two eateries will be a new hotel. It will be a Hotel that the residents will be proud of. The plans look great. This will bring in more sales tax for the city, as well as more hotel and motel tax dollars (HOT Tax). The developers handling the former Pear Tree Inn pad site have yet another restaurant deal worked out for this lot. There will be an announcement very soon. All of this is on the Windcrest residential side of the street which means 100% of the sales tax and HOT Tax revenue proportioned to the city revenue goes to Windcrest! Our sales tax revenue continues to increase every year. The Windcrest Economic Development Board, along with the WEDC Director Robert Colunga, are doing an unprecedented job. A huge thank you goes out to them. We are the envy of Bexar County.

Spring Brush Pick-Up: This service will commence on April 18th. Again, for the convenience of the residents, the city was divided into three sections. This service is at no additional cost to you as a resident. Please use this service if needed. For more details go to page 7 in this Newsletter.

Garage Sale Weekend: This will be from Thursday, April 7 to Sunday, April 10. If you plan to have a garage sale, please sign up at City Hall. There is no charge for the permit, but we like to add the participants on the map we hand out to folks wanting to know where all the sales are happening. If you are a charity and/or civic organization in Windcrest, and wish to conduct a garage sale to raise money for your organization, we are providing City Hall on the Friday and Saturday to stage your sale at no charge. If you wish to use this area, please contact Kelly Hamilton at khamilton@windcrest-tx.gov.

Volunteering and Participating: We need more people on the Newsletter Committee, Windcrest Citizens' Patrol and Animal Task Force. Please call Kelly Hamilton at City Hall if you wish to volunteer. Remember that there are still places of service within the City. If you want to participate or volunteer in any area of the City, you won't be turned away. Give me a call or email me to get involved.

Please email me if you wish me to add something to my article. When you visit City Hall, please stop in and say hello.

Remember that I welcome and answer every phone call and email.

I waited to write this article until the Windcrest Volunteer Firemen's Gala had happened. Wow....what an evening!

Morgan's Wonderland was just the right place to have this event. The staff there was extremely supportive of the efforts of our fire secretary, Courtney, to make the evening a night to remember. The music was perfect for the theme of the evening...the roaring twenties. The food was delicious and the opportunity to ride the carousel again after so many years was great!

What a wonderful evening to support our volunteer fire association! Thank you to everyone who worked so hard to make it a night to remember.

a person who represents a constituency or community in a legislative body

SUPERVISOR

a person who supervises workers or the work done by others;

MICROMANAGER

Everyone agrees that micromanagement is a bad thing, but not everyone knows how to identify and correct it. Micromanagement manifests itself in avoidable behaviors:

1. Measuring too many things. The advantage of technology is that you can measure your business more accurately. The disadvantage is that technology makes it too easy to measure too much. Measuring so much that it's not clear what the data really means is classic micromanagement.

2. Monitoring too closely. Monitoring is sometimes confused with measurement, but the two are different. You measure data; you monitor behavior. Monitoring becomes micromanagement if you're always looking over employees' shoulders.

3. Building too much consensus. Gathering inputs before making a decision is a good idea, especially from the people who'll be affected by the decision. However, you're micromanaging if you end up discussing things to death before making a decision.

4. Intervening too much. Helicopter managers are as bad as helicopter parents--they create helplessness in the people they're trying to help. The only way that people can grow is by making mistakes, which means that the manager can't be jumping in all the time to fix things.

Does the Windcrest City Council fit in any of the four categories? If so, which ones? What should be done?

Happy Spring to Windcrest!

Thanks to all who take the time to read the Newsletter. It is always a challenge to draft a short article that is interesting but avoids politics and that addresses timely matters but that must be written a month in advance. Consequently, all feedback is appreciated, as are the efforts of the Newsletter Committee.

Even as this is written at the beginning of March, it has been a busy year in Windcrest. Here are some recent achievements:

- For the first time in years the City is not actively involved in any litigation.

Proud Member of the Windcrest Family

- The City and the BCWID No. 10 agreed to extend their close coordination and shared space for another seven years.
 - The Fire Association and the City are working on an agreement that will help improve coordination and enhance the safety of our City.
 - The City Council adopted a regular schedule for its meetings, established a mechanism for designating a mayor pro tempore on a rotating basis, and is working to make the Takas Park polling site more accessible and decrease the clutter of political signs on City property.
- Yet, the most important season of the Council year is just around the corner as we soon begin efforts to adopt next fiscal year's budget. Please make sure to reach out now to express your thoughts to the Council about priorities for the year ahead so that they can be included in our discussions about next year's budget.

SPRING IN WINDCREST

It is time to get out of the house, if you can, and enjoy the outdoors. Work in your yard or work around your house, or just go for a ride in the country. I walk my dog Mausi at least two times a day around our neighborhood and around our newly, almost finished, two ponds. I have lived here for over 26 years with my family and it is wonderful to see the long awaited improvements taking place around our city. These improvements should make all residents rejoice because they add to the charm of our city and will bring up property values.

Teamwork among the Mayor, City Council and the City Manager has enabled the improvements mentioned above to happen. That teamwork must allow the City Manager to manage the operations of the city without distraction for petty personal issues from the leadership of the city. With the proper alignment of functions, the progress the city has seen in the past few years will continue to flourish.

Again as always, I ask you to send us or call us with your positive ideas to move our city forward. We do not want to stand still or regress. Life is still moving on and we need to move forward with it.

Please don't forget the Community Garage Sale from April 7th to 10th. Also Spring Brush pick up from April 18 to May 6th. You need to check when pick up will be in your section.

Anyone that wants to contact me can do so by e-mail at gjacobi@windcrest-tx.gov or call me at 210-657-9549. Thank you

ECONOMIC DEVELOPMENT CORPORATION Robert Colunga, EDC Director

The City of Windcrest is thriving even with the down turn in the Eagle Ford Shale area. Thank you Windcrest Citizens for continued support of our businesses as more are coming to Windcrest.

Update on Business Development – We are seeing businesses invest in Windcrest all over the City. Our largest investment in Windcrest is over on Eisenhower Road where we expect over 75 million dollars of investment to occur here in the next year with East Group Properties doing much of it. But we believe we will have more announcements for this area coming soon. The Pollo Tropical site is under construction next to the In N Out Burger and going just fine. At the time of printing we cannot mention the name but we believe we will have another restaurant opening next to Buffalo Wild Wings and a retail development across the street from them on Crestwind Drive. We hope our new hotel project will be under construction by the time you receive your newsletter if not it will be very soon. We have a new restaurant opening soon in what was China Rose. They have not informed me of the name as of time of print. We also have a new business going into what was the Milan Beauty School. It will be a retail Beauty Supply and the largest in 200 miles according to the owner. With several other projects in hopper we are staying busy here at the WEDC so stay tuned for more great news. Go Windcrest Go.

MUNICIPAL COURT REPORT

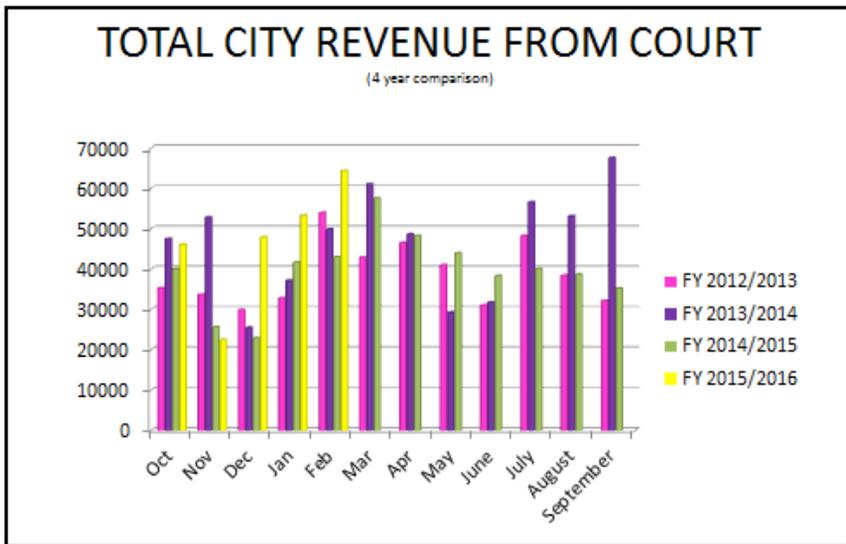

By Kelly Rodriguez, Municipal Court Clerk,
 krodriquez@windcrest-tx.gov
 (210) 655-0022 ext 2250

New Tool for Warrant Officer

In December, City Council passed a resolution approving an agreement with StreetCred for third party collection service. Historically, the warrant officer manually researches offenders with warrants to be able to locate such individuals. The previous collection agency made phone calls and sent out letters to try and collect on monies owed to the City of Windcrest via warrants. A partnership with StreetCred/Convergence Recovery Solutions, LLC will now make our court and officers measurably more efficient, reduce warrant backlogs, and improve on officer safety in the field. StreetCred/Convergence Recovery Solutions, LLC will maintain a collections effort, while also providing us with the tools to go a step further. This is at no cost to the City of Windcrest.

TOTAL CITY REVENUE FROM COURT

Here is a 4 year comparison chart of the money collected from fines and fees. For more information please contact Kelly Rodriguez, Assistant Court Administrator at (210)655-0022 ext 2150 or krodriquez@windcrest-tx.gov.

Women's Club News

Kathy Littlefield (210) 413-6018

The Windcrest Women's Club had a lovely Membership Tea on February 24th. The ladies came with their spring hats and the tables were set with pastel cloths and the sweetest tea cups and saucers. Members and Past Presidents had a lovely afternoon. Past Presidents attending were Lilo Strait, Sally Ball, Kathy Littlefield, Lois Wooten, Patty Robles and Lea Fagin.

Our "Spring Social" on March 17 and group trip to one of our restored missions March 25 with a side trip to a glass blowing factory, was a great opportunity for Windcrest residents to come and get to better know others in their community. Be a Member and enjoy all of the benefits of membership. Our Membership Chair is Lu Nix, our dues are \$20.00 per year. We meet August through May. Give her a call for more information, 653-2371.

The year is almost over and we look forward to the April 13th "Appreciation Luncheon" for all of our members who have assisted our club in any way this year. This is the Board's way of saying "Thank You for your Help." The time is 11:30 to 2:00p.m. at the Windcrest Civic Center. Reservations are required. Please call Diane Stake at 946-7589 or Hazel Freeman at 655-3919 if you plan to attend.

Our April 27th meeting will be: A Better Use for Your Old Stuff, presented by David Moad and Joy Jauer of Marshall Shredding. They will give us guidelines on what to keep and what to discard from those boxes in the back of the closet! Officers for the 2016-17 year will be voted on at this coffee. Installation will be on May 25th, 11:30 a.m. to 2:00 p.m. at Anne Marie's at Devonshire Place, 12475 Starcrest. Again call Diane Stark or Hazel Freeman with your reservation.

We always welcome YOU to our meetings.

WINDCREST ANIMAL CARE & CONTROL UNIT

Officers A. Fuentes and M. Gonzales

Dogs must be on a leash! It's the law in Windcrest.

Just because your dog is friendly, does not mean that another dog is. If the aggressive dog is on leash and bites your off-leash dog, you will not be able to recover any money for your dog's vet bills and you will likely be cited for having your dog off leash.

Many people of all ages are afraid of dogs. It's not very nice to allow your dog to frighten people. It could cost you! If your dog causes a fearful person to get hurt in an attempt to get away from your dog, you may be responsible for the medical bills. Don't forget, people have a right to protect themselves from a perceived threat. We do not want to see any animal hurt because it was loose and someone reacted out of fear.

An unleashed dog could get into something poisonous like antifreeze or into dangerous trash like cooked chicken bones before you can stop it. This can cause large vet bills or serious injury and even death to your dog.

If a loose dog chases wildlife into a street and causes an accident, the owner can be held responsible for the car repairs and medical bills. Please leash your dog... Be Smart!

TxWeACT

Being part of a solution... the TxWeACT motto.

In an effort to help with the cost of boarding and caring for the dogs that are found in our community, TxWeACT is now presenting a new "sponsorship program".

We understand that sometimes you just are not able to foster a dog that is waiting to find a forever home. But you really want to help a dog be adopted. Now a tax deductible donation for a specific dog can do just that. It costs \$10 a day to board a dog. You can look at the dogs that are on the city's animal control website and see if there is one that tugs at your heart. That donation of \$10/a day for as many days as you can manage will help defray the cost of the boarding of that dog. You can donate \$10 to help with the cost of a rabies shot or a \$30 donation to help with additional immunizations. Sometimes a dog will need help with heart worm medication. And all dogs need to be spayed or neutered before they are adopted. You can make a donation to help with that too.

We have a new pamphlet (designed by Chief Ballew) that explains this new program in detail. If you are interested or want more information, please contact TxWeACT at 210-562-0299.

We are really excited about this new program and hope you will find it in your heart to help a dog have the time to find a new home.
