

Legal Review of Petition 07.19.2022-Cessation of Work-Community Pool by City Attorney's Office

Pursuant to the requirements of the Windcrest City Charter, the City Attorney's office has reviewed the petition noted above to determine if it meets the minimum charter requirements to qualify for an initiative, referendum, or recall. I have reviewed the petition, the signatures, the subject matter, the demand on the petition and have determined the petition does not meet the minimum requirements of the charter. The petition does not call for a recall. The petition does not seek the passage or repeal of an ordinance. The charter only allows initiative or referendum to adopt or repeal an ordinance. This petition does neither. In short, the petition is not a valid petition under the charter and does not meet the minimum legal requirements of the charter. No further certifications are necessary.
